

The architectural floor plan illustrates the layout of the Estação de Integração, showing the platform, tracks, and surrounding infrastructure. The plan includes dimensions for various areas and components.

Platform and Track Layout:

- Platform (Piaçqueta):** The platform is divided into sections with dimensions of 140, 130, 70, 100, 90, 110, 280, 210, 280, 90, 110, 140, 155, and 145.
- Tracks (Cauçê):** The tracks are labeled "CAUÇÊ VET. LATA" and "CAUÇÊ VET. LATA".
- Tracks (Cauçê):** The tracks are labeled "CAUÇÊ VET. LATA" and "CAUÇÊ VET. LATA".
- Tracks (Cauçê):** The tracks are labeled "CAUÇÊ VET. LATA" and "CAUÇÊ VET. LATA".

Station Building (Estação):

- Entrance (Entrada):** The entrance is located on the left side of the platform.
- Exit (Saída):** The exit is located on the right side of the platform.
- Waiting Area (Área de Espera):** The waiting area is located in the center of the platform.
- Service Area (Área de Serviço):** The service area is located on the right side of the platform.

Dimensions and Measurements:

- Platform Width:** 620
- Platform Length:** 140, 130, 70, 100, 90, 110, 280, 210, 280, 90, 110, 140, 155, 145
- Track Width:** 140, 130, 70, 100, 90, 110, 280, 210, 280, 90, 110, 140, 155, 145
- Station Building Dimensions:** 140, 130, 70, 100, 90, 110, 280, 210, 280, 90, 110, 140, 155, 145
